

KX-MB271 Other Features

Laser Printer

- High-Speed 18-ppm Laser Print Speed
- 600 x 600 dpi Resolution
- Approx. 15 Seconds Warmup Time
- 250-Sheet Paper Capacity
- USB 2.0 High-Speed Interface
- For Microsoft® Windows® 98/Me/2000/XP/Vista*2

Flatbed Copier

- Enhanced 600 dpi Laser Copy Quality
- Up to 18-cpm Copy Speed
- Multiple Copies: up to 99 from One Original
- Enlarge up to 400%, Reduce up to 25%
- Automatic Document Feeder (20-Sheet)

Color Scanner

- Color Scanning with Flatbed and Automatic Document Feeder
- 9600 dpi (Interpolated) Scanning Capability
- 24-bit Color Output, 8-bit Monochrome Output
- TWAIN Compatible
- Scan to PC as PDF, JPEG, BMP or TIFF*2
- Convert Scanned Pages to Editable Documents with Readiris OCR Software*2
- Easy-to-Use Image Viewer*2

KX-MB271 Specifications

General Function

Type	Desktop
Printing Process	Laser
Memory Capacity (for Operation and Storing Memory)	32-MB
PC Interface	USB 2.0 High-speed
Scanning System	CIS, fixed Flatbed
Automatic Document Feeder	20-sheet
Paper Tray	250-sheet
Warmup Time	Approx. 15 seconds (20°C)

Printer Function

PC Interface	USB 2.0 High-speed
Printing Speed	18-PPM
Printing Resolution	600 dpi x 600 dpi
Compatible OS*2	98/Me/2000/XP/Vista
Emulation	GDI
Paper Handling	Letter/Legal/A4

Copier Function

First Copy Time	Approx. 17 seconds (A4)
Memory Copy Speed	18-CPM
Resolution	TEXT, TEXT/PHOTO/PHOTO
Multi-Copy	Up to 99 copies
Enlarge/Reduction Copy	25 - 400% (1% step)

Scanner Function

Color Scanning	Input 48 bits, output 24 bits
Monochrome Scanning	Input 16 bits, output 8 bits
Scanning Resolution	600 dpi x 300 dpi (ADF)
	600 dpi x 1200 dpi (Flatbed)
	9600 dpi x 9600 dpi (interpolated)
Scanner Driver	TWAIN 18

Power Consumption:

Sleep	Approx. 5.5 W
Standby	Approx. 65 W
Copy	Approx. 320 W
Maximum	Approx. 900 W when the fuser lamp turns on
Power Source*1	AC 120V, 50/60 Hz
Dimensions (W x D x H)	16.5" x 17.5" x 12.00"
	(420 mm x 445 mm x 305 mm)
Weight	Approx. 28.7 lb. (13 kg.)

*1 Based on ITU-T No.1 test chart.

*2 Available when connected to PC running Microsoft® Windows® 98/Me/2000/XP/Vista. Multi-function software is included.

*3 5% coverage.

*4 The drum longevity is tested by 20-sheet continued printout intervals.

A New, More Functional Machine that Responds to Various Business Needs

The flatbed design and auto document feeder accurately meet your business needs.

Panasonic introduces a new, user-oriented office machine that accurately responds to your specific business needs and goals. It provides three essential business support functions – scanning, copying and printing – and lets you use them easily and efficiently.

Laser Printer

Beauty Plus Convenience

Flatbed Copier

Bringing new meaning to the word "copy"

Color Scanner

The ultimate in detailed reproduction

Multi-Function

"3-in-1" multi-Function design dramatically improves business efficiency for every document-related task from copying to scanning and printing.

Quality Laser Printing

The laser printer function helps assure high quality reproduction at 600 dpi x 600 dpi resolution in every document and drawing you want to print or copy.

USB 2.0 High-Speed PC Interface

The KX-MB271 comes standard with a USB 2.0 High-speed interface for easy connection to a PC. The bundled "Multi-Function Station" launcher software allows easy setup and selection of multiple functions.

High-Speed 18-ppm Laser Printing

The KX-MB271 boasts high-speed printing and copying at speeds of up to 18 pages per minute with quick warmup time of 15 seconds.

250-Sheet Paper Tray

Since the standard paper tray can hold up to 250-sheet, you don't have to worry about running out of paper out even during a high-volume print.

Flatbed Design

In addition to the 20-sheet Automatic Document Feeder, a built-in flatbed allows you to scan, copy, or fax a variety of originals in different shapes or sizes such as magazines, newspapers, ID cards, business cards, etc.

High-Quality Image Reproduction

A CIS (Contact Image Sensor) makes possible high-speed scanning and high-resolution image reproduction even when the spine is raised slightly above the glass plate.

High-Resolution Copier

With resolution of up to 600 dpi x 600 dpi, sharp, clear copies are assured. Multiple copies of up to 99-sheet are possible.

18-cpm Copy Speed

The KX-MB271 delivers high speed copying of up to 18 copies per minute, with a warmup time of 15 seconds.

Color Scanning with Flatbed and ADF

The KX-MB271 allows you to scan documents in color or black-and-white at a high resolution of 600 dpi x 1200 dpi (with flatbed), or 600 dpi x 300 dpi with an 20-sheet Automatic Document Feeder. (Max. scanning resolution of 9600 dpi x 9600 dpi is available when interpolation is used.)

High-Quality Scanning

The KX-MB271 outputs scanning images with 24-bit color gradations (48-bit input), or 8-bit black & white gray scales (16-bit input).

Image Processing Software

When the Multi-Function Station launcher software is installed on your PC, you can easily access a variety of image processing functions from the graphical menu. With the "Viewer [Scan]" menu, you can choose Page View, Reduction, Rotate, Duplicate, and Cut and Paste functions. OCR function is also available in 1-byte language designation models.
